(Attached Apartments, Condominiums, Townhomes)

| <b>Bedrooms</b> | <b>Water Equivalent REU</b> | <b>Sewer Equivalent REU</b> |
|-----------------|-----------------------------|-----------------------------|
| 3+              | 1                           | 1                           |
| 2               | 3/4                         | 3/4                         |
| 1               | 1/2                         | 1/2                         |

LCWSD will provide a fifty (50) percent reduction on Non-Residential Capacity Fees for commercial and industrial users (excluding apartment complexes and other multi-family residential units or temporary living facilities).

Meters sized for fire flow protection will not be subject to capacity charges but will be charged based upon equivalent domestic, process, and irrigation use.

Residential irrigation meters will not be charged a capacity fee assuming the property owner has already purchased a domestic residential equivalent unit (REU).
