\_\_\_\_\_

Include map on back if necessary.

Lancaster County Water and Sewer District (LCWSD) will be responsible for the installation of the water tap. This will consist of necessary piping and fittings to connect to the water main, a meter enclosure box and a water meter.

LCWSD is not responsible for the installation of the water lines from the meter box to the residence or the customer cut off valve. A customer cut off valve must be installed on the water line from the meter box to the residence. This will be the applicants responsibility.

Once meter is set ,billing starts. **Set Meter:**  Yes  No
